project management

we take care of all the details regarding your participation to a fair. we can assist with everything from orderings with the fair, filling formulars and up to catering, hotel, transport or even translation services we assist you. need any last minute printings? just call your PM!

3D renderings and sketches

It all starts with the sketch of your stand. choose your furniture, colours or floors and we send you the project together with fotorealistic images, so you know in detail how the stand will look like.

production

we call it quality made in Germany! using modern technologies on a production area of ca. 2.500 sqm we can surely deliver your stand at highest standards! the whole production is made in Germany close to Cologne.

furniture rental

our suggestions don't fit your wishes? from standard to design furniture we have a wide range of products to offer deliver. ask your project manager for the furniture catalogue!

transport & storage

with a total storage capacity of 5.000 sqm we can store your stand until the next event. we have our own trucks and vans this means smaller transport costs which will reflect in your final price. need help with the transport of your samples? give us a call!

construction & dismantling

what you see is what you get - the stand will be built by our teams completely in accordance with the agreed project and on time! we have a team of 22 qualified constructors which in hard times can go up to 50 if needed, thanks to our partners.

assistance 24/24

any problems on your stand? don't worry, you are in safe hands. call your project manager at any time and we will solve any issue.
